Welcome to our website

The Rhine with its magic has been casting a spell over everybody for a long time. From time imemorial it has dug its deep river bed from Bingen to Koblenz. The Rhine ships are the embodiment of cultured travelling – without hecticness but with plenty of time for the bare essentials.

The Rhine tells fascinating stories.

The two ships of the Hebel-Linie have set their hearts on the guest and therefore head through calm waves into his wellbeing on board.

The most beautiful star in the glistening wet is the guestyacht MS RHEIN-KRONE. Elegance and sportif appearance for a multifaceted usage in a professional atmosphere.

Come on board and listen to the waves and your inner voice and follow the invitation to a rendez-vous on the Rhine.

Your Joachim Noll
